FEEDBACK ANALYSIS
AND
ACTION TAKEN REPORT
2023-2024

The Feedback Analysis Committee of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students, teachers, employers, alumni and professionals. Students who offered feedback were from KVPS IPE Boradi.

The feedback targets following different content for different stakeholders.

- For students, it addressed curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers.
- For teachers, the feedback addressed issues like suitability the course and its need base, outcomes of the curriculum, relationship with course content and corresponding reference material, availability of reference materials in terms with curriculum, evaluation methods and curriculum delivery, etc.
- For employers, it addressed issues like general communication skills, developing solutions to real life problems, working in a team, creative challenges to challenges, organization skills, learning of new techniques, integration of technology for work as learnt through the curriculum.
- For alumni, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem solving approach.
- For Parent, it targeted issues like necessity of additions and deletions in the curriculum in connection with theory and practical parts of the syllabus.

Students Feedback Analysis Report
2023-2024

IQAC takes the opportunity to receive feedback from stakeholders such as students, teachers, alumni, and employers. This is done by the feedback committee. It collects and analyses comments from various stakeholders before submitting an action taken report to the appropriate bodies. This task aims to assess the impact of the institution's activities on the various stakeholders. The institution wants to expand its benefits in order to reach all stakeholders. This feedback is gathered and analyzed using the statistical tool. The feedback committee takes additional action based on the opinions of the stakeholders. It is collected by the IQAC and forwarded to the feedback committee to decide on various suggestions offered by stakeholders. At the end of the semester, the feedback committee meets to discuss the numerous ideas and prepare a report on actions taken. The action taken report will be distributed to all staff members via the IQAC, and receive a copy of the same report. Statistical tools are used to compile and analyze the data. It is forwarded to the institution's Head for consideration by following data gathering and analysis, developing a general action plan. The faculty meeting will prepare plans for the following academic year based on the Annual Feedback Action Taken Report. Meetings at the departmental level are also held to execute and implement the action plan.

The Feedback Analysis Committee of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students on several aspects of curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers.

The report of feedback analysis is submitted. The feedback report was forwarded to IQAC for necessary action and thereafter the analysis is shared with all constituent colleges, heads and they are instructed to take necessary measures and actions as to comply with the issues raised by the learners.
