1. Students
2. Teachers
3. Employers
4. Allumni and
5. Parents

Overall Feedback Report on Curriculum Last Five years

80% of the students were satisfied with the syllabus and accept it as it is. 20% of the students felt the need of the syllabus to be revamped particularly final year students felt that the curriculum should be modified so that it would enable them to appear for entrance exams regarding higher studies and competitive exams for procuring jobs.

85% of the staff members are completely satisfied with the existing curriculum. 15% of staff felt that hours allotted for new and allied subjects become the cause for the reduction of hours allotted for the core subjects, while the update of the new subjects is mandatory, the significance attached with teaching and learning of the core subjects in detail, should not be perturbed.

An overall feedback from employers for all majors were received. 20% of them felt that the curriculum was not job oriented and inadequate to compete with the current needs of the society. 10% of the employers were unable to review the syllabus. 70% of the employers were satisfied with the syllabus.

The alumni feedback analysis report reveals that majority (100%) of the alumni are happy and proud to be a part of this institution and they agreed that they would recommend their friends and relatives to enrol in this institution. • All of them were highly satisfied to the point that they receive regular updates via SMS / mails/ calls/ Facebook etc. • The alumni appreciated the academic initiatives taken by the University to restructure and update the curriculum as per the current needs

Most of the parent's students hail from tribal and rural areas and 80% of their parents are not aware of the impact of the curriculum on their wards and are unable to comprehend and answer the questions regarding the review of syllabus. Feedbacks were received from 20% of the parents and analysed. Necessary action has been taken. Analysis of the syllabus based on the feedbacks collected from the different groups such as students, teachers, employers and parents is presented for the approval of the Governing council.
