Campus safety and security

The main campus has two main gates with channel gate Security. College has close campus with single door entry for students, staff and visitors. Students and staff have separate dress codes. Identity card is mandatory for students and staff to enter in the campus. The laboratories are equipped with exhaust fans to remove fumes produced in the lab during practical work. The college campus contains enough number of fire extinguishers at different places. College is committed in providing and promoting a safe environment for our students, faculty, staff and visitors. The office of safety and security maintains a visible existence throughout our campus and is readily available to serve and assist while ensuring that our campus remains secure for 24x7. CCTV cameras are also installed in the building for safety and security purpose. Educating our students in security issues, personal safety measures, and protective strategies are all part of services that we provide during practical performance in the laboratory. Also, Intercom telephone numbers services at various places have been made available so as to take precaution about the accidents if any. Provision of "FIRST AID KIT" is made in each laboratory, with demarcations of place. To ensure the safety of both people and property, students are required to wear their IDs when inside the campus. It is a priority to ensure the safety of our institution by having all students and staff readily identified. For the security purpose, we also have constituted "Internal Compliant committee" for the safety of all the girl students and female staff members. Resident wardens in both the boys and girls hostels guarantee safety within hostels.
