TITLE OF ACTIVITY: One day Programme on Current Trends on cGMP in Pharmaceutical Industry

Date and Venue: 10th October 2023, K.V.P.S. Institute of Pharmaceutical education Boradi.

Description of activity:

On October 10, 2024, KVPS's Institute of Pharmaceutical Education organized an engaging one-day program focused on "Current Trends in cGMP in the Pharmaceutical Industry." The event commenced with a warm welcome from Principal Dr. V.V. Patil, who emphasized the importance of adhering to current Good Manufacturing Practices (cGMP) in ensuring product quality and safety in the pharmaceutical sector.

The highlight of the program was the insightful presentation by the resource person, Mr. Deepak Suryavanshi, a Quality Assurance Officer at Mylan Laboratories. Mr. Suryavanshi shared his expertise on the latest trends and developments in cGMP, covering topics such as regulatory updates, quality control measures, and best practices in manufacturing processes. His interactive session encouraged questions and discussions, allowing participants to deepen their understanding of the critical role cGMP plays in the industry.

Following the presentation, Mr. Harshjeet Shishode delivered the vote of thanks, expressing gratitude to Mr. Suryavanshi for his valuable insights and to the attendees for their enthusiastic participation. He concluded the session by highlighting the significance of continuous learning in the ever-evolving pharmaceutical landscape.

Overall, the program was a success, fostering knowledge sharing and collaboration among students and professionals in the field.
