Institute of Pharmaceutical Education, (B.Pharm) Boradi

6.5.2. The institution reviews its teaching learning process, structures & methodologies of Operations and learning outcomes at Periodic Intervals through IQAC set up as per norms

The Academic Monitoring Committee came into existence in 2006-07 wherein it focused on academic development of the institute. Academic Monitoring Committee decided to apply for NAAC accreditation. Hence the Institute was principally constituted the IQAC. The primary aim of the IQAC is to develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the institution. A decision was taken by Academic Monitoring Committee in the academic year 2019-20 dated 18th January 2020 to establish an Internal Quality Assurance Cell (IQAC) and the actual existence of this Cell came into the occurrence in the academic year 2019-20.

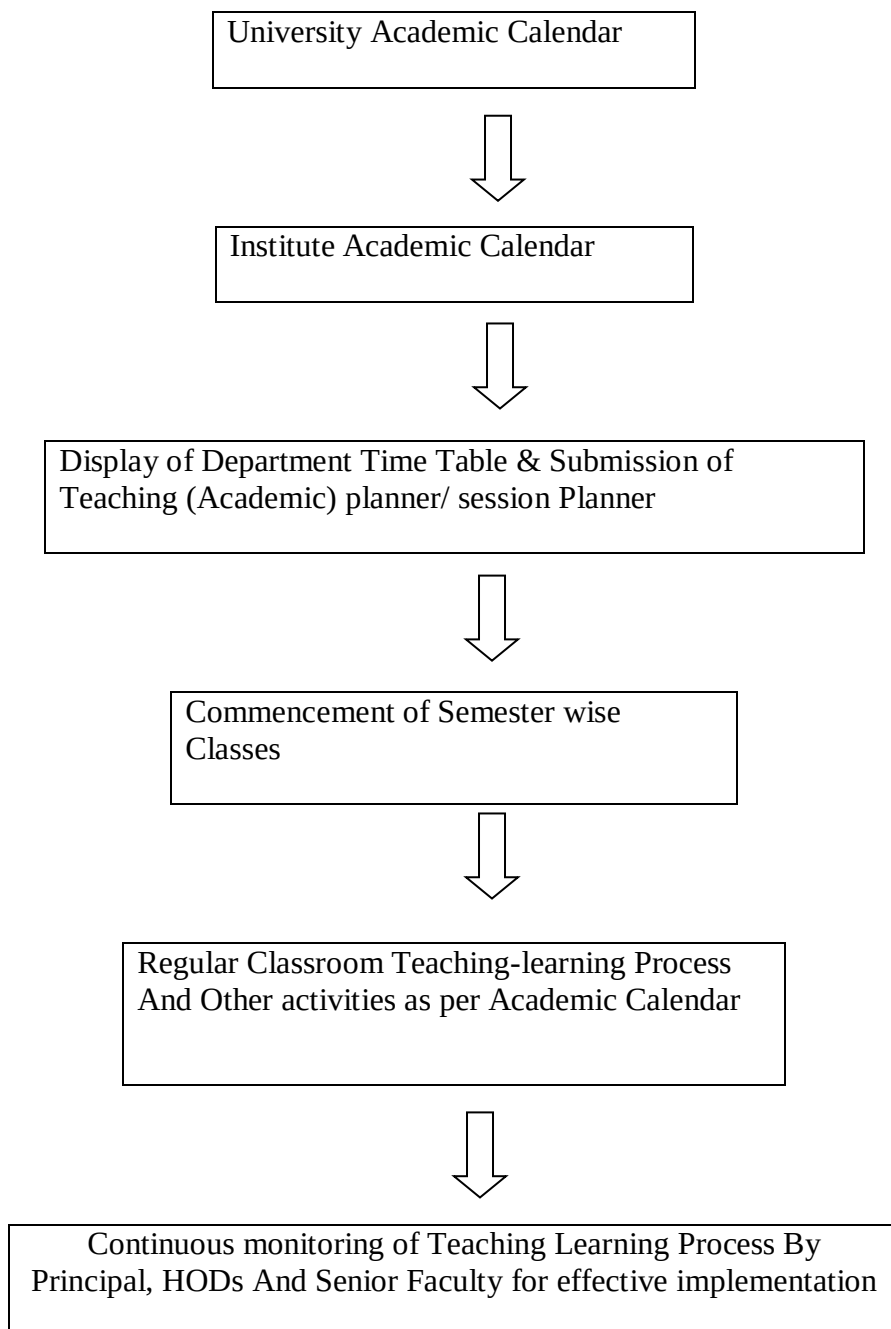

The institution reviews its teaching learning process, structures & methodologies of Operations and learning outcomes at Periodic Intervals through Academic Monitoring Committee as follows:-

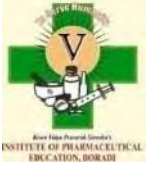

1. Flow chart of Teaching Learning Process
2. Academic Calendar of Institute.
3. Time Table and Teaching Plan.
4. Student Performance Evaluation (work book, Sessional Paper & Result)
5. Teacher Performance evaluation (feedback & Action taken Report)
6. Academic audit Report
7. Report of CO, POs and PSOs

Please comment on SWOC Analysis:

Strength	Forward looking and visionary leadership of the College authority and Willingness of leadership for all round continuous quality improvement
Weakness	Few meritorious students and well trained staff move to other places for personnel development
Opportunities	The College can easily raise the bar of its achievement if the following points are taken care of: Canteen and Washrooms.
Challenges	To keep high level of industry and international linkages being situated at the rural tertiary

Best Practice (s) / Innovations of the Department:

- The institute regularly encourages the students to compete in external competitions (tech fests, paper presentations and idea and innovation contests)

Future Plans of the Department:

- To enrich library facilities
- To improve in-campus placements
- To maintain and improve NAAC ranking
- To maintain and improve NIRF ranking
