Activity Report

Solid Waste and Liquid Waste Management

Description of the Programme:

To achieve effective and sustainable implementation of the proper waste management practices, awareness with participation is the key to be involved in the Solid and Liquid Waste Management Program of an institution. Some of the common solid wastes obtained include daily garbage which includes white used paper, card sheets, rubber waste, and plastics, cardboard materials, etc. are collected and disposed off. Dustbins are located on various floors at various locations such as classrooms, libraries, staffroom, admin offices, etc. This separated waste is then collected by the Grampanchayat Boradi collecting van outside the Institute campus. Liquid and semisolid wastes mainly consist of wastewater from staff pantry etc. are disposed off through sewage systems having a network of underground pipes by Boradi Grampanchayat.

Objective of the Programme:

The main objective of the solid waste management system in the campus is to promote the conservation and environment management in the Institute Campus. The purpose of the current available system is:

To introduce and aware students to real concerns of environment and its sustainability.

To secure the environment and cut down the threats posed to human health by analyzing the pattern and extent of resource use on the campus.

Activity Report

E-waste management

Description of Programme:

The rapid expansion of technology and the consumption driven society results in the creation of a very large amount of e-waste is every minute. Electronic waste (e-waste) refers to the disposal of broken or obsolete electronic components and materials. E-waste materials may be valuable and recyclable, such as random access memory and reusable laptops. Common discarded electronic products include computers, televisions, stereos, copiers, and fax machines. The institute has aware of the e-waste material. The e-waste material like mobile charger, hard disc, Wires and Cables Computer Fan-are collected from the institute and donated to the e-waste center AYS Info solutions Shirpur and collect the certificate from the E-waste center.

Objective of Programme:

To Increase the awareness in students of new waste collection methodologies i.e. E-Waste management, To dispose of e- waste through donating e- waste at collection centre.To spread awareness in students about different types of E-waste and their effects on humans and environment.
