7.1.7 Relevant Doc:

Resources available in the institution:

To help students with special needs campus has made tremendous strides, that buildings be accessible to those with physical handicaps as well as other commonly used facilities.

1. Provision for Ramps: The elevator facilitates easy and quick movement through the different floors of the college. The facility may be availed by both staff members as well as differently-abled students. A lift operator is present at all times to enable safe movement of people up and down the college

2. Disabled-friendly washrooms:

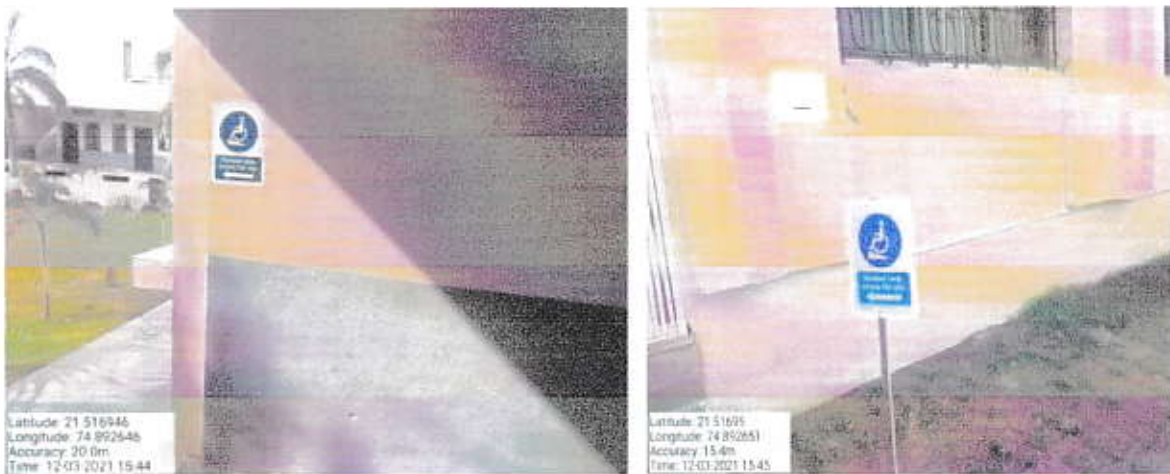

Institute provide separate provision of friendly washrooms to disabled students in campus.

3. Signage & signposts:

The special signposts are available in campus for easy accessible to disabled students various signage are given in classrooms, laboratories, library, computer lab.

4. Wheel Chair: We run accessible facilities and private rooms, along with strong academic programming — may be the key to helping students who use wheelchairs succeed on a college campus, with the help of wheel chair and elevator they can get easily accessible to get into another part of campus.

5. Convenient Seating Arrangement:

Seating arrangement for differently abled students is made at the front row in every classroom. Specially designed bench is provided to them. In laboratories as well, their sitting position is kept at most convenient place. Designated places are allotted to such persons in computer laboratory, library and other places.
