1) Students Feedback:

The students are the most important stakeholders of Higher Education systems. The interest and participation of students at all levels in both internal quality assurance and external quality assurance have to play a central role. From the current academic year the college has started online feedback system. We have collected online feedback from our under graduate third year students and post graduate students. A special five point scale feedback form on the curriculum is development. We have received total 807 student's offline 2015-2020 on the syllabus of the various programmes.
